YASHPAL SINGH

Full Stack Developer | React.js, Next.js, Node.js

Ludhiana, Punjab, India | +91-82642-77404 | yashpal1752@gmail.com | Portfolio : [uihaven.in]

SUMMARY

Full Stack Developer with nearly 2 years of professional experience building and shipping production-ready web applications end to end. Strong in React.js, Next.js, and Tailwind CSS on the frontend, and Node.js, PHP, MongoDB, and MySQL on the backend. Hands-on with REST API design and integration, authentication and admin panels, Razorpay payment integration, secure video delivery (DRM), database design, and deployment on Vercel and Render. Experienced in turning Figma designs into fast, mobile-first interfaces backed by scalable server-side logic.

SKILLS

Frontend Development: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, SCSS, Framer Motion, Responsive Design, Mobile-First Design, Cross-Browser Compatibility, Web Animations

Backend & Data: Node.js, REST APIs, Authentication, Admin Panels, MongoDB, MySQL, PHP

Design & UI/UX: Figma, UI/UX Prototyping

Tools & Workflow: Git & GitHub, VS Code, Vercel, Render, FileZilla, Browser DevTools, Cross-Browser Testing, Debugging

Other: SEO Optimization, Problem Solving, Self-Learning, Communication

EXPERIENCE

Web Developer | Punjab IT, Ludhiana, Punjab — Aug 2025 – Oct 2026

- Built and maintained responsive, cross-browser web interfaces using React.js, Next.js, and Tailwind CSS for client-facing production sites.
- Collaborated on frontend architecture and UI implementation across 20+ client projects.
- Translated Figma designs into pixel-accurate, mobile-first pages.

UI/UX Developer | Promatics Infotech, Ludhiana, Punjab — Jan 2025 -Aug 2025

- Designed UI/UX in Figma and built responsive, cross-browser web interfaces for client projects.
- Developed production frontends using React.js, Tailwind CSS, and SCSS.
- Created interactive prototypes and visual content used directly in client presentations.

Web Development Intern | Infowiz, Bathinda, Punjab — *Jun 2023 - Jul 2023*

- Strengthened JavaScript and React.js skills by contributing to real-world production projects.
- Debugged and resolved multiple frontend issues, improving page reliability and UX.
- Collaborated with a development team on end-to-end feature delivery.

PROJECTS

ProdByRoshan - Music Courses Website - Live Link: [prodbyroshan.com]

- Developed a dynamic music learning platform for a professional music artist to sell video courses and audio packs.
- Integrated **Bunny.net DRM** for secure video streaming, improving content protection.
- Implemented **Razorpay Payment Gateway** for seamless online course purchases.
- Built an automated **certificate generation** system for students upon course completion.

Octane CAD - Institute Website & Admin Portal - Live Link: [octanecad.com]

- Built a dynamic PHP site for a training institute, covering both the public informational site and a secure admin panel.
- Developed an admin-side system for managing and issuing student certificates.
- Enabled students to verify and download their certificates directly from the website.

Machno Design - Personal Portfolio - Live Link: [machnodesign.com]

- Built a single-page portfolio site for a mechanical designer to showcase skills and project work.
- Focused on clean, fast-loading UI with a clear, conversion-oriented layout.

LL Creations - Dynamic Portfolio & CMS - Live Link: [llcreations.in]

- Built a fully dynamic site for a graphic designer with a custom admin panel for managing site content.
- Architected the backend with Node.js and MongoDB, and deployed the stack across Vercel and Render.

EDUCATION

BTech - Computer Science & Engineering - Shaheed Bhagat Singh State University, Firozpur, Punjab — 2021 – 2025
